Preface

The C-1 is provided annually to the DoD oversight committees of the Congress coincident with the transmission, by the President, of the Budget of the United States Government.

For FY 1994 and FY 1995 the C-1 reflects appropriations "as enacted", including congressional rescissions. It does not reflect transfer of budget authority or unobligated balances, nor proposed program supplements/deferrals.

Office of the Under Secretary Defense (Comptroller)
Department of Defense
